

FOR IMMEDIATE RELEASE:

September 15, 2014

Special October Checkout Option

The Library's Repurposing Project is beginning. To accommodate construction Library services will relocate to the Annex at 507 South Maine Street on Monday, November 3. The Library is offering a special checkout option in October. Borrow Churchill County Library materials (excluding New Books, DVDs, and Books on CD) during the month of October 2014 and return them the week of March 2, 2015.

If you are a teacher wanting to supplement your classroom library, spend the winter learning the fine art of French cooking, or are interested in reading a biography about James Madison, Mark Twain, or Marie Antoinette; this option will allow plenty of time to learn that new skill or read a lengthy tome.

The materials will be checked out in a custom Churchill County Library book bag for easy identification in your home.

Choose your winter project and visit the Library in October!

The library is located at 553 South Maine Street.
